INTRODUCTION AND GENERAL INDEX

R. L. POLK & CO., publishers of more than 1,400 city, county, state and national Directories, present to subscribers and the general public, this, the bicentennial commemorative edition of the Providence City Directory.

Confidence in the continued growth of Providence's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Providence to the world.

The enviable position occupied by R. L. POLK & CO.'S Directories in the estimation of the public throughout the country, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Providence City Directory will fulfill its mission as a source of authentic information pertaining to the city.

Four Major Departments

The four major departments are arranged in the following order: —

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business Section, which embraces a list of the names and addresses of all business and professional concerns of the city, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the city. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a large commercial and industrial center like Providence, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents, business and professional concerns is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Providence, and the name, official personnel, nature and address of each firm and corporation in the city.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE on green paper, is the third major department. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner-occupied homes, the listing of telephone numbers, new householder symbols and Zip Codes.

IV. THE NUMERICAL TELEPHONE DIRECTORY, the fourth major department, is printed on blue paper.

Municipal Publicity

The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the City Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Providence.

The Providence Directory Library

Through the courtesy of the publishers of the Providence City Directory, a Directory Library is maintained in the offices of the Greater Providence Chamber Of Commerce, for free reference by the general public.

2

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

Providence is located at the head of Narragansett Bay, which offers one of the finest ports on the U. S. Coastal line, whether on the Atlantic or the Pacific. The Bay not only is suited for shipping, but it furnishes recreational playgrounds for Rhode Islanders and people from all parts of this country and the world. Newport, which is located at the entrance to the Bay, has long been famous as a resort and showplace. Narragansett, on the opposite side of the Bay entrance from Newport, also is a well-known summer resort. The fishing industry thrives on many parts of the Bay, which yields an abundant supply of fish and shellfish. Many eating places on the Rhode Island shores of Narragansett Bay are well-known for shore dinners, clambakes and Rhode Island johnny cakes.

Providence is one of the nation's leading cities in Urban Renewal, with a total investment of 200 million dollars in projects completed, in process, and planned. The "Downtown Master Plan-1970" is one of the most significant projects. Others include the East Side Renewal Project, Lippitt Hill, Weybosset Hill, and the Central-Classical Development Project. The Westminster Mall, dedicated August of 1965, is an outstanding pedestrian mall, and a feature of Providence's downtown renewal effort, as is the development of three major complexes for apartment living in downtown-The Regency, The Regency East and Beneficient House . . . with construction due to begin very shortly on Regency West. The Cathedral Square Project at Weybosset Hill is another dramatic renewal plan for the Downtown area. The Providence Civic Center was officially dedicated on January 17, 1973. This beautiful sports/convention complex now makes Providence and Rhode Island, New Englands newest convention area.

A line drawing illustration of a street scene. On the left, a tall signpost with a decorative finial holds three horizontal signs that read 'REAL ESTATE', 'INSURANCE', and 'FLORIST'. In the foreground, a group of people, including men, women, and children, are walking along a sidewalk. To the right, there is a two-story building with a gabled roof and a small cupola. A row of flags flies from a pole in front of the building. The scene is set on a street with a crosswalk.

CAUTION

Pay no money in advance to itinerant Directory Canvasers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

A STATEMENT OF ADVERTISING PRINCIPLES

1. Good Advertising ~ aims to inform the consumer and help him to buy more intelligently.
2. Good Advertising ~ tells the truth, avoiding misstatement of facts as well as possible deception through implication or omission. It makes no claims which cannot be met in full and without further qualification. It uses only testimonials of competent witnesses.
3. Good Advertising ~ conforms to the generally accepted standards of good taste. It seeks public acceptance on the basis of the merits of the product or service advertised rather than by the disparagement of competing goods. It tries to avoid practices that are offensive or annoying.
4. Good Advertising ~ recognizes both its economic responsibility to help reduce distribution costs and its social responsibility in serving the public interest.

CAUTION

Pay no money in advance to itinerant Directory Collectors. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our collectors have strict orders not to take advance payment for either advertising or subscriptions.

CAUTION

Pay no money in advance to itinerant Directory Canvasers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our collectors have strict orders not to take advance payment for either advertising or subscriptions.

CAUTION

Pay no money in advance to itinerant Directory Collectors. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance.
